SUMMER AGENDA PROJECT 2017

**PREMIER
PRINTING LTD.**

At Premier Printing, we love students. Why? Because without our student workforce, it would be close to impossible to produce and ship 1.5 million agendas.

What is an agenda?

It's a time management tool designed for today's students. It's a challenge to finish 12,000 orders in three months, but one we meet head on with energy and enthusiasm.
