

# meia

Manitoba Environmental Industries Association

## Who Can Benefit?

- University Students
- College Students
- Students up to 2 years post grad looking for full time work in the Environmental industry

## Annual Cost:

- \$30 (Due to the pandemic and the uncertainty this has brought to students the price has been reduced to half of the previous years rate.)

## Student Chapter Alumni Bio:

- Any member that graduates and has a full-time position in the environmental sector will be featured in a bio on the MEIA website. This is a great way to advertise yourself and the ways that the student chapter helped you!

## MEIA Student Chapter

### Overview:

The MEIA Student Chapter is designed for university and college students who wish to enhance their knowledge of the environmental industry and to network with potential future employers. Students from all universities and colleges are encouraged to join!

The student chapter begins on September 1st of every year and ends on August 31<sup>st</sup>.

### Membership Benefits:

- Receive job opportunities sent directly to your inbox
- Access to networking opportunities such as the Student Chapter's biannual Speed Mentoring events where you can connect one-on-one with professionals in the environmental sector
- Participate in recruitment nights and training seminars offering Student Chapter members the opportunity to develop elevator pitch skills, share ideas, projects and opportunities
- Discounted rates on MEIA professional development learning sessions, workshops and conferences
- Scholarship opportunities for members
- Opportunity to sit on the Emerging Issues Conference Planning Committee
- Alumni Bio on the MEIA website

### Member Events:

- Discovery night
- Speed Mentoring
- Sustainability Tour
- Student Chapter Recruitment Night

### Registration:
